Sir,

With reference to Government Proceedings No 2311-9 / MI 4-105 dated 8-9-10 calling for a report in the matter of furnishing Security by Municipal officials who are entrusted with collection work or who may have to handle money, I have the honor to state that there are no such officials in the Municipalities of Nelamangala, Tyamagondlu, Devanahalli and Yadagenahalli In the Amanikal Municipality the hereditary Patels and Shanbhogues attend only to the collection of Mohatarfa taxes, and do not attend to the collection of octroy duty The Collection of this duty is done on the commission system and the amount of commission allowed is 5 percent on the collection made, and the annual income which one gets comes up to Rs 30/- nearly

Sd:
It is objected

Rs 30/- nearly Therefore the municipal Council at Anekal is of opinion that in case the amount of octroy duty collected every day is credited to the Treasury on the very same day, it does not seem reasonable to ask the collecting agency to furnish Security

The reports from the marginally noted Vice-Presidents have not been received as yet Stringent orders have been issued On receipt of the same a further reference will be made to Government in the matter

The Amildar of Doddaballe reports

Sir,

In continuation of my letter No. S 255 dated 9th September 1913 reporting in the matter of summoning Remedy by Municipal officials who are entrusted with collection work or who may have to handle money, I have the honor to state that the Amildar of Channarayapatna reports that the Mohatarfa taxes and Octroi duties in the above Municipality were being collected by the hereditary Shanbhogue and Patel, that since the death of the Shanbhogue in May 1913, the acting Shanbhogue who is the brother-in-law of the deceased Shanbhogue, has been entrusted with the collection work of Mohatarfa taxes only and that the Municipal Daroga has been allowed to collect octroi duties in addition to his own. As the latter practice is objectionable, I have directed the Amildar to entrust the collection of octroi duties also to the hereditary Shanbhogue.
